Committee Reports:

Legislative - T.J. Herzog

Legislative Report

Certificates of appreciation were given to Skip Brandt, Mike Jorgenson and Phil Hart for their part in getting the Idaho Senate Bill 1367 passed. Reminder folks, May 23rd is the Idaho Primary so get out and vote. After the Primary the field will be narrowed down and I can start to work on the candidates.

Another reminder is on the AMA website is a petition. Write your Senators and Congressmen. Let them know you don't want and don't need the new EPA rules.

Safety & Education - Willie Stephenson

- Awareness Class May 24th at Harding Center in CDA, 6pm
- As with other Idaho Chapters, RCC has received 100 *Share the Road* stickers from the State. These can be sold. However, they must be tracked. These are to be treated as a Chapter Product/Inventory. The monies from sale of the stickers go into a different pot.

Member RC investigated and found that there will be summer driver's education sessions at 6am.

Runs/Events - Greg Raschke

- Status of River City Chapter Awareness Run in May
Greg: I'll have the sign-up sheet at the area. Be sure to sign it.

- ❑ Updated supplies list for Awareness Run
Karen: We're short only a few items such as stirrers or spoons, paper towels and window wash. Member Belva will pick up stirrers/spoons at IGA. Tim will pick up papers towels and window wash.
- ❑ Update on/or ideas for other Runs/Events this year...?

Charity & Fundraising - Karen Hunley

- ❑ Chapter Spring Opener Raffle
We have received our raffle tickets; they're pink. We have 5 prizes. Do we want to raffle them off individually or combine the smaller ones or what? Member RC recommended with stick with raffling each item individually and rest of members concurred.

Old Business

Any updates on Chapter logo, patches and officer badges...?
Draft designs were given to member Chad for further work on the design(s). It was suggested adding some pink to the design. This was met with some reluctance.

New Business

Chapter website... thoughts & ideas. What do you want to see posted and /or included?
Member RC really likes the new website. Secretary Hooper was chastised for not having visited it as yet.

State budget priorities request from Budget/Finance Committee.
It has been verified that the 2004 books are not auditable. Each of the Chapters have been asked for ideas such as the State having a War Chest in the event a need arises in which several chapters are needed to respond to an issue. Another suggestion was to holdback at least one year of basic State operating expenses. It was noted that the Spring Opener runs about \$6,000 to run each year.

Open Forum or Announcements

We would like to see monies spent equally between AMA, MRF and NCOM. AMA should be equal with MRF and NCOM. AMA has 666,000 members nationwide compared to MRF that has 33,000 members nationwide.

We would like someone to make a motion at the State Board meeting to reimburse those who attended the Lincoln Dinner; \$40 per person.
